

Trustee Meeting
5/15/2023

Present: Kathleen Peters, Angie Robinson, Nick Lavalley, Cheryl Junker, Amy Thurber, Cindy Neily, Derek Herro (via Zoom), Sadie Wells,

Minutes: Minutes were approved from 4/2023. All approved

Treasurer's Report: To be approved next month

Librarian's Report:

- Library Materials 1655
- Libby 543
- Kanopy 65
- Reviews: Staff reviews are complete. I provided each staff member with a written review, and they each provided me a self-review. We met one on one to go over the reviews and talked about ways the library and I could support them and their goals for 2023. Each employee received copies for their files, and the library has added the reviews to each person's library file.
- Programs: 12 parents and kids came to Lego Club. Next meeting May 27.
- 2nd grade story times are back in person, outdoors at the elementary school.
- Book sale generated \$687.00
- Will be contact Bill Craig to find out about Meeting House Readings Schedule for this summer.
- Summer reading program theme this year is All Together Now. We will be offering 2 outdoor story times, 4 take and make crafts, a reading bingo contest, free books for each child who participates and the return of our Ice Cream Social at the end of the summer. As mentioned before, we will also be collaborating with Enfield Library for a fun event for the kids.
- Beat the Heat Beach Read Bingo is also returning for our high school age and up readers.

New Business:

- Policies: Policies have been reviewed and approved, unanimously, and Amy will put the updated versions on the website.
- Events: Friends of the Library Brunch on June 10
- Birthday Months of Library staff to be celebrated with permission.
- Donor Appreciation on June 29 at 7:00

Friends of the Library

- New membership! Several new people came to the FOL meeting and are interested in getting engaged. New committee: Folks in Charge of Fun. New ideas included Touch a Truck

Upstairs Renovation:

- More brainstorming and sharing of ideas. We will be reaching out to architects for furthering these ideas.

Next meeting: 5/19/23.
