

Present: Derek Herro, Nick Lavalley, Angie Robinson, Cindy Neily, Kathleen Peters

Time/Location: 9/18/2023, 6:00 pm at the Canaan Town Meeting House

Previous Minutes: Minutes from August approved, unanimously.

Treasurer's Report: The account at the bank was breached online and we had to get new account numbers. All trustees have signed it to get everything shored up and safely documented. No money was lost.

For the next six months we will be keeping the majority of the library money in a CD at a rate of 4.5%

There are also three trust funds for which we are eligible to collect the interest on; we will be working with the town to determine how to get it.

Budget will be presented to the town on 11/16/2023.

FoCTL: The friends are working on getting liability insurance to use during public events, like Touch-A-Truck. They are also working on getting volunteers together for the annual book sale.

Librarian's Report: Amy is currently taking some time off. A report will be reviewed upon her return.

Building: We have continued to work with the town on getting a plan for painting the building.

Meeting adjourned.

Next Meeting: 10/16/2023 at 5:45 at the library.
